

Astor Comfort Height Adjustable Bath

Highlights:

- Sculpted to give maximum internal room and bariatric capacity
- Optional extras give ultimate bathing experience: warm air spa and integrated sound and light system
- Patented Neatfold drying and changing stretcher can be added
- Double tub thickness for extra insulation

The free standing Astor Comfort height adjustable bath has been beautifully sculptured to give maximum internal room within a minimal external footprint, allowing extra movement and comfort and boasting a bariatric capacity.

The Astor Comfort is hoist accessible to accommodate all types of Astor Bannerman overhead and floor hoists, ensuring easier transfer and access for the carer. The Astor Bannerman patented Neatfold stretcher can also be fitted to make changing and drying easier without additional unnecessary transfer. Optional supports and cushions are available to further enhance comfort and fit, including a footplate with three position settings.

For the ultimate bathing experience, the Astor Comfort has optional features that include a warm air spa giving a relaxing massage effect, colour changing LED lights and an integrated Bluetooth speaker system, to either stimulate the senses or create a relaxed environment.

The Astor Comfort bath is available in a variety of colour options.
