

Astor WN Wall Mounted Neatfold Stretcher

Highlights:

- Option of stretcher length 1000-1900 mm (x 660 mm)
- 130 kg MWL
- Hammock stretcher anti-micro treated and fully drainable
- Stowed - protrudes just 161 mm from the wall

The Astor WN wall-mounted Neatfold Stretcher provides a simple, space saving and economical solution to changing/showering requirements in environments with restricted space. It is available in a range of sizes from 1000 mm to 1900 mm x 660 mm and used in conjunction with floor hoists and ceiling hoists for showering, washing, changing and dressing.

The unique and patented folding design allows for much easier use of the stretcher so it can be stored and unfolded using just one hand, and is stowed neatly against the wall when not in use.

With a powder coated stainless steel frame and non-rip high tension vinyl material, the wall mounted Neatfold is comfortable, durable and easy to clean and can be fitted in a wet room, bedroom or bathroom for easy care for children and/or adults. It is suitable for use in domestic homes, schools, hospitals, sports facilities or care homes .

The wall mounted Neatfold Stretcher (WN) has a range of optional extras, including a fold down guard, guard bumper, splash skirt and removable mattress.
